

Financial Tear Sheet

Corporate Profile

Encore Capital Group, an international specialty finance company, provides debt recovery solutions for consumers across a broad range of assets. Through its subsidiaries, the Company purchases portfolios of consumer receivables from major banks, credit unions, and utility providers, and partners with individuals as they repay their obligations and work toward financial recovery. Through its subsidiary in the United Kingdom, Cabot Credit Management, the Company is a market-leading acquirer and manager of consumer debt in the United Kingdom, Ireland and Spain. Through its Grove Capital Management subsidiary, the Company acquires and manages consumer non-performing loans, including insolvencies in the United Kingdom (in particular, individual voluntary arrangements, or IVAs) and non-bank receivables in Spain. Through its Refinancia subsidiary, the Company services distressed consumer debt in Colombia and Peru. Encore's success and future growth are driven by its sophisticated and widespread use of analytics, its broad investments in data and behavioral science, significant cost advantages provided by its highly efficient operating model and proven investment strategy, and the Company's demonstrated commitment to conducting business ethically and in ways that support its consumers' financial recovery.
